PLAINFIELD CHAMBER OF COMMERCE **EVENT, SPONSORSHIP & MARKETING OPPORTUNITIES**

The Plainfield Chamber of Commerce is excited to offer a variety of opportunities for 2025!

Our events provide businesses with excellent platforms to boost visibility, connect with the community, and demonstrate their commitment to local growth and development.

Below is a detailed breakdown of the sponsorship packages available for our key events this year, along with additional advertising and investment opportunities.

Benefits of a Chamber Sponsorship

GET NOTICED WHERE IT COUNTS

Want to make a splash with the people who matter most? Target local decision-makers and potential future clients with ease!

BUILD RELATIONSHIPS

Imagine teaming up with other businesses for collaborations. Chamber sponsorships open doors to those meaningful partnerships.

SHINE IN YOUR COMMUNITY

Show off your brand's commitment to local success and build a reputation as a community champion.

EFFORTLESS MARKETING BOOST

Why work harder when you can work smarter? Amplify your visibility and marketing reach just by showing up and supporting.

MORE VALUE LESS STRESS

Maximize your return on investment by aligning with the Chamber.

FUEL CHAMBER INITIATIVES & POWER YOUR COMMUNITY

Your sponsorship dollars do double duty! Not only will you support the Chamber's ongoing mission to uplift local businesses, but you'll also help fund beloved community favorites like college scholarships, the vibrant farmers market, the iconic Quaker Day Parade, and much more! It's a win-win for your business and the entire community!

Sponsorship Policies - Right of Refusal - Subject to Change

We offer a wide range of marketing and sponsorship opportunities throughout the year, available on a first-come, first-served basis. While most sponsorship and event registrations open a few months prior to each event, we also offer an early registration period from November to January for companies interested in paying upfront and participating in our **Optional Investment Level Program (details available at the end of this packet)**

While many opportunities remain open throughout the year, our premier sponsorships, such as presenting sponsorships, often sell out in advance. **As part of our policy, previous sponsors are given the first right of refusal before sponsorships are offered to other businesses.** If you are interested in a sponsorship currently held by another business, we will record your interest and notify you if it becomes available.

After the right of refusal period ends, all remaining sponsorships will be open on a first-come, first-served basis. **All prices noted are subject to change as the event draws closer, and new opportunities may become available throughout the year.** If an opportunity is paid for prior to January 31st of each year, you will be locked into that price.

Non-Tangible Benefits of a Chamber Membership

At The Plainfield Chamber of Commerce, we understand that not all businesses are in a position to make financial contributions—and that's perfectly okay. What matters most to us is that businesses feel empowered to engage with and make an impact in our community, even without a monetary commitment.

Being a member is more than just writing a check; it's about building relationships, increasing your visibility, and playing an active role in shaping Plainfield's future. We believe in creating non-financial pathways for involvement, where our members can expand their networks, join community events, and offer their time and expertise.

Simply showing up and connecting with others at our events can be a game-changer for your business. Attending events, volunteering, or sharing your knowledge helps you build meaningful connections that strengthen both your business and the broader community.

We encourage every business, regardless of financial capacity, to take advantage of these opportunities. Whether through sponsorship, networking events, or offering your time, there's a way for every business to contribute and grow. Let's work together to create a thriving business environment where everyone has a chance to succeed.

Optional Investment Level Program

Available from November 1st through January 1st each year

Between November 1st and January 1st, members can pre-pay for the year and customize investment packages tailored to their business. **To participate:** Choose your investment level from the list below, then select options from the Event, Marketing & Sponsorship guide to meet that level. Your level is based on the minimum total value of your selected options. For example, investing \$1,500 places you in the bronze level, and \$2050 would be silver.

Call us at 317-839-3800 or email chamber@plainfield-in.com to sign up.

NOTE: Investment levels do not include membership dues. All sponsorships are first come, first served, with priority given to past sponsors.

For members participating in this program, your logo and level will be listed on a banner displayed at several chamber events!

Check the next page for a quick glance chart of all your options.
