Trivia Night FAQ's

Do I need to be good at trivia/will this be serious like Jeopardy?

Neither! Trivia knowledge is NOT required. We are planning for a fun night filled with music and laughter.

What will the night look like?

5:30 check in, followed by 6:00 buffet, mingling, raffle entry, wine pulls and more. **Trivia starts at 7:00**

Hambones will lead us in 6 rounds of trivia, with varying themes. Small prizes are awarded to teams with the most points per round. The team with the most points at the end of the night gets the SMARTY PANTS AWARD!

Will there be other activities throughout the night?

YES! We will have raffle items for you to buy tickets for, a wine pull, photo booth and more!

PLUS, you can play a round of over/under!

What is Over/Under?

A guessing game! One person is asked questions with numerical answers. Players who've purchased a ticket to play, guess if they think the answer is over or under the original guess. \$10 per ticket.

Last player standing wins \$100 in CASH!

We have Mulligans too!

Each team can "buy" one free answer per round (for the first 5 rounds). \$20 per mulligan.

Anything else I need to know?

More details will be sent to those who register. Feel free to call The Chamber with additional questions.
